Olé Chair

The perfect choice for collaborative environments and informal meetings

The Olé Chair provides comfortable, versatile seating, while promoting productivity.

The Olé Chair is the perfect choice of seating for informal meetings or your own individual workspace. The chair is not only extremely comfortable, it provides you with personal storage space, an option to add a cup holder and a convenient worksurface that can be moved as needed. The seating can be stand-alone or easily moved to informal meeting areas.

Key features:

- Optional movable worksurface and cup holder
- Bottom storage area for laptops and personal belongings
- Corner casters with rear locking system
- Wheels on the base allows the chair to be easily moved
- Choice of fabric and colors
- Various veneer finishes for worksurface, cup holder and storage area

Key benefits:

- Comfortable and practical seating
- Creates informal work areas
- Promotes productivity in a relaxed environment
- Can be conveniently moved to any location
- Bespoke color options to compliment your workspace (minimum order quantities and additional costs may apply)

Hi-Chair and Hi-Stool

The Hi-Chair and Hi-Stool are seating solutions for the modern office. Both can be adjusted to various positions and heights, creating ergonomic seating for any desk height.

Hi-Chair

Key features:

- Height adjustable
- Seat inclines backwards and forwards
- Sturdy back support that can be positioned to suit your posture
- Strong arm supports
- Robust casters for easy movability

Key benefits:

- Ideal option for sit-stand desks
- Promotes a healthy ergonomic seating position
- Aesthetically pleasing design
- Comfortable alternative to the regular office chair
- Offers a wider range of seating positions than a conventional office chair

Hi-Stool

Key features:

- Height adjustable
- Seat inclines backwards and forwards
- Robust casters for easy movability

Key benefits:

- Ideal option for sit-stand desks
- Promotes a straight back posture and healthy ergonomic seating position
- Aesthetically pleasing design
- Comfortable alternative to the regular office chair
- Offers a wider range of seating positions than a conventional office chair

Environmental design

At Adapt we carefully consider environmental factors in every stage of our product cycle. This includes selecting environmentally friendly materials during design, manufacturing, packaging and shipping.

Adapt aftercare

Research shows that to achieve the full benefits from ergonomic products, employees should be trained to use them properly. As part of our service, training is available to ensure you make the most of your furniture and accessories.

Superior products

Every Adapt product is made from the highest quality materials and goes through rigorous testing before it becomes available on the market. That's why all Adapt manufactured products come with a lifetime guarantee, giving you peace of mind.
