

Charge multiple devices and download data safely and conveniently.

The impact of technology on the workplace means that we now work more flexibly and across more devices than ever before. Adapt's desk power products allow you to download data and keep mobiles, laptops, tablets and other technology charged simultaneously. Their space-saving, ergonomic design allows you to charge devices safely and conveniently above the desk, removing the need to bend or kneel down to plug them in.

PDCM

The PDCM modular power unit is available with standard or customised configurations of power sockets, ethernet and USB ports and laptop adapters. You can request any configuration to suit your power, data and communication needs.

Key benefits:

- Safer way to charge your device
- Keeps wires intact and in view, avoiding trip hazards
- Easily portable

Environmental design

At Adapt we carefully consider environmental factors in every stage of our product cycle. This includes selecting environmentally friendly materials during design, manufacturing, packaging and shipping.

Adapt aftercare

Research shows that to achieve the full benefits from ergonomic products, employees should be trained to use them properly. As part of our service, training is available to ensure you make the most of your furniture and accessories.

Superior products

Every Adapt product is made from the highest quality materials and goes through rigorous testing before it becomes available on the market. That's why all Adapt manufactured products come with a lifetime guarantee, giving you peace of mind.
