## Create workspaces that work

Adapt Global Group was formed in 1996 with the ethos that workplaces should adapt and evolve with the people who work in them, not the other way around.

Great places to work create a happier, more engaged workforce and this in turn boosts health, wellbeing, productivity and profitability.

The design and development of all Adapt Global Group's products and solutions are underpinned by our brand promise:

- Provide products and solutions that adapt to your workplace needs today, tomorrow and in the future.
- Quality, style and value, without compromising on ergonomics.
- Offer a first-class, global service.
